

## EMPLOYABILITY 4: Digital Assignment (INTERMEDIATE)

### Title: **Business Network**

**Focus Skills Development:** Self-management/Taking responsibility, Working effectively with other people, Business and customer awareness, Decision-making and Problem-solving, Initiative and enterprise, Communication and Literacy, Numeracy, Using ICT.

**Task:** Create a group of people through online activities with whom you could aim to grow your network or build your business.

**Time frame:** Aim to complete this assignment in around 2-4 weeks.

**Resource:** Use Facebook, Twitter, Instagram or other online resources. Where will you find like-minded people?

On completing your task submit your group details to [assignment@enterprise360.me](mailto:assignment@enterprise360.me) **before you access another assignment.**

**Example YES Passport Update for this assignment (do not feel limited by this table it's merely a guide)**

YES Stamp	Examples
Self management / taking responsibility	I identified a problem and decided to create a solution with like-minded people.
Working effectively with other people	I worked with some friends and colleagues to create a business solution.
Decision making and problem solving	With our business start-up group, we need to make decisions and find solutions to the problems we identified.
Using ICT	I used ICT to find partners to engage with and to develop the solutions.

**Reflection:** Think carefully about the areas that you are most interested in, see what resources there are in your community, people who are interested in the same things etc. Be careful not to pursue people who may be negative or discouraging.

**E** **FO**  
**UR**

**NB:** Do not feel limited by the table above, think about other skills this assignment has helped you develop.
