

## EMPLOYABILITY 4: Digital Assignment (INTERMEDIATE)

**Title:** **My Future Client**

**Focus Skills Development:** Self-management/Taking responsibility, Working effectively with other people, Business and customer awareness, Decision-making and Problem-solving, Initiative and enterprise, Communication and Literacy, Numeracy, Using ICT.

**Task:** Research different trends in the economy, identify the areas you are most interested in, and try to identify how you would like to work in the future. Would you be an employee? Work freelance? Or start your own business? [Think about the area/country in which you currently live and also where you might be in one, or two years?](#)

**Time frame:** Aim to complete this assignment in around 1 week.

**Resource:** Use the trend map here to suggest some trends to investigate [https://nowandnext.com/PDF/Mega%20Trends%20and%20Technologies%202017-2050%20\(Web\).png](https://nowandnext.com/PDF/Mega%20Trends%20and%20Technologies%202017-2050%20(Web).png). On completing your task submit a list of three future potential clients to [assignment@enterprise360.me](mailto:assignment@enterprise360.me) **before you access another assignment.**

**Example YES Passport Update for this assignment (do not feel limited by this table it's merely a guide)**

YES Stamp	Examples
Self management / taking responsibility	Managing myself to develop a clear and effective plan for skills development in terms of my planned destination professionally.
Working effectively with other people	I have engaged with several professionals to discuss areas of development and what skills are likely to be key in the areas of interest to me.
Decision making and problem solving	By working through the trend lines, I have developed an understanding of how the future may unfold and the implications for my professional future.
Using ICT	I used online research and other activities to explore and develop my understanding of

	how the future may unfold and the implications for my skills development plan.
--	--

**Reflection:** Think carefully about the areas that you are most interested in, follow the trend lines and think of how things may develop.

**NB:** Do not feel limited by the table above, think about other skills this assignment has helped you develop.
